

NIHR Clinical Research Network Learning Management System (LMS)

The LMS is an online system to enable researchers undertaking portfolio related research to access a variety of online and classroom courses. Leicestershire, Northamptonshire and Rutland Comprehensive Local Research Network can provide local researchers with access to this system and will manage course approvals.

To access the course directory, please register at: <http://learning.ukcrn.org.uk/learning/Register.aspx>

When registering, please complete all fields, including those listed below.

Network/Organisation	CCRN: Comprehensive Clinical Research Network	Please select 'CCRN: Comprehensive Clinical Research Network'
Local Network/Organisation	CLRN: Leicestershire, Northamptonshire & Rutland	Please select 'CLRN: Leicestershire, Northamptonshire and Rutland Comprehensive Local Research Network'
